World of Animals

Entertain guests with giant illuminated, eye-catching displays of animals from around the world.

Animal displays are made in the ancient Eastern tradition of lantern-making with 3-D metal frames, fiberglass, and acrylic materials.

Unique and captivating displays will provide families and friends with a lifetime of memories.

Animatronic Dinosaurs

Fascinate patrons with an impressive visual spectacle in our exhibitions.

Featured with lifelike appearances, vivid movements and roaring sounds.

From the very small to the gigantic dinosaurs, we have them all.

Everything needed for a realistic and immersive experience for your patrons.

Providing interactive options for your event including riding dinosaurs and dinosaur inflatable slides.

Enhancing your merchandise stores with dinosaur balloons and toys.
